**Instructions:**

These posters are the 25 prophets mentioned in the Qur'an. In total, there are 124,000 prophets in Islam.

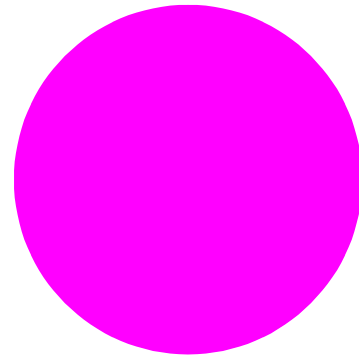

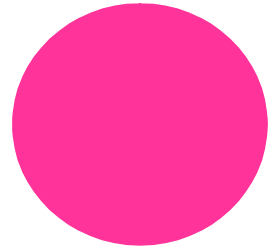

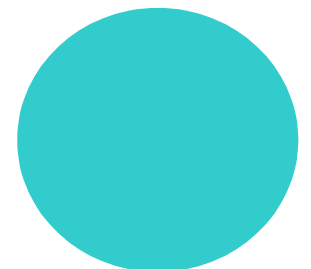

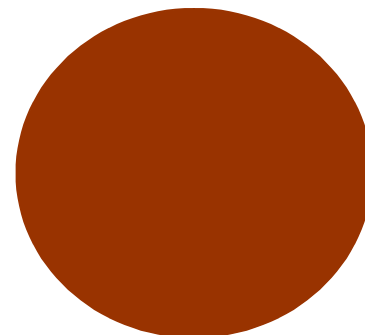

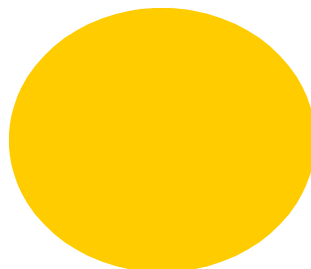

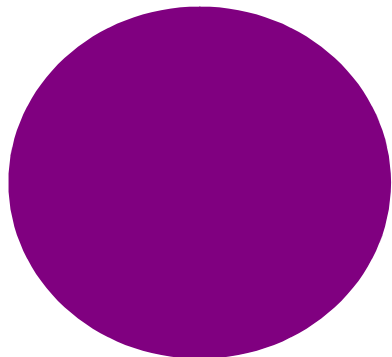

As well as for use as a poster to decorate a room, the above can be incorporated into children's activities in a number of ways: as part of a mix and match game, a memory game, as flashcards, as a book on the prophets (alayhum salam), and so on.

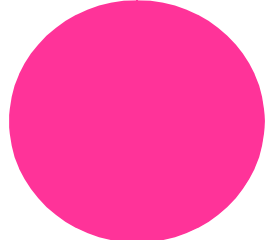

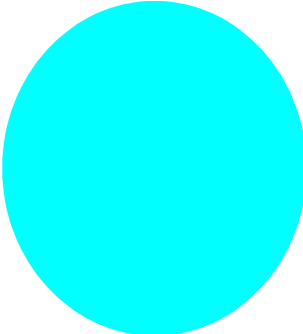

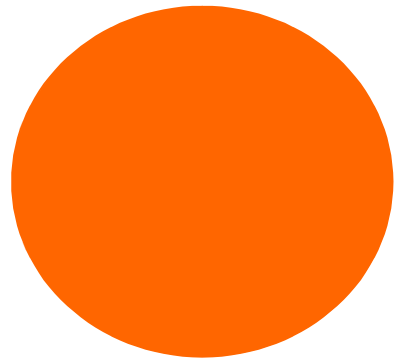

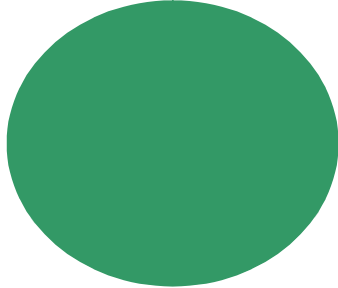

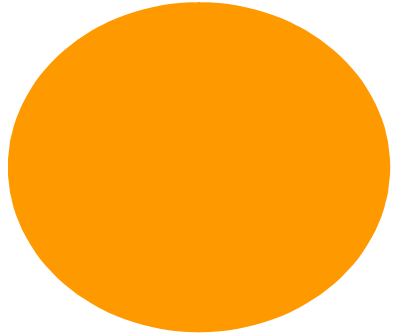

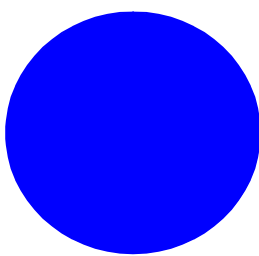

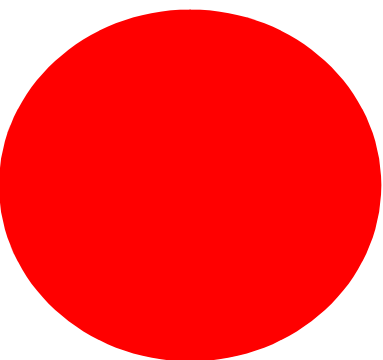

They help to reinforce the names and order of the 25 prophets mentioned in the Qur'an for children.

I ask that you please remember me in your humble du'as.
